

## **Schedule facilitation activities for the Summer 2017 scheduling Period**

### **Hamad International Airport**

The Qatar Schedules Facilitator announces that the IATA flight schedule submission for the Summer 2017 scheduling period is the **6th October 2016**.

Schedules must be submitted no later than **23:59UTC, on Thursday 6th of October 2016**.

Schedules should be submitted by email to the Qatar Schedules Facilitator email address: [slots@qatarcoordination.org](mailto:slots@qatarcoordination.org).

Hamad International Airport is designated as a Schedules Facilitated Airport IATA Level 2.

Airlines and aircraft operators are requested to send all their planned operations in IATA SSIM (Standard Schedule Information Manual) Chapter 6 SMA (Schedule Movement Advise) message format.

The Qatar Schedules Facilitator will acknowledge receipt of the Initial Submissions in writing. Airlines must verify that they have received an acknowledgement to ensure that their submission was received. If no acknowledgement is received, the airline must immediately contact the Qatar Schedules Facilitator. Failure to do so may result in the airline's submission not being considered during the Initial Coordination.

The Qatar Schedules Facilitator will inform each airline of the results of the Initial Coordination with a SAL (Slot Initial Allocation List) message as soon as it is complete, but no later than 23:59 UTC on 27th October 2017, which is the IATA SAL deadline for the Summer 2017 scheduling period.

SAL messages will be sent at the same time to all airlines that have sent Schedules Movement Advise.

The SAL will indicate any changes from the airline's Initial Submission that is necessary to remain within the airport's coordination parameters, and the reasons for any changes.
