SLOT BOOKING DEPOSIT APPLICATION

Operator name	The name of the company operating the flight.
Date of Operation	The date that flight operates at DOH or DIA.
Type of flight	As per the IATA SSIM chapter 6 service type designators, i.e. J for schedule flight, C for charter flight etc.
Purpose of flight	Provide the purpose in free text, i.e. fans for FWC, National Team etc.
Flight number	Flight number must be a combination of 2 or 3 letters and up to 4 numbers. For operators intending to apply with GCR the aircraft registration/Operator ICAO code should be considered as the flight designator.
Aircraft type	The IATA (3-letter) aircraft type code. For operators intending to apply with GCR please apply with the 4-letter (ICAO) aircraft code.
Origin/destination	The IATA (3-letter) codes of the origin/destination airports. For operators intending to apply with GCR please insert the ICAO (4-letter) airport designators.
STA/STD	The intended Schedule time of Arrival/Departure (UTC times).
Bank account (IBAN)	Your bank account information in case the slot booking deposit has to be returned.
E-mail	The mail address where you would like to receive the slot booking deposit confirmation number.

NOTE:

- Application applies to a single flight operation (one arrival & one departure). Operators intending to operate more than one flight, must apply for each flight individually.
- Slot booking deposit does not guarantee approval of the slot as requested.
